

FAITH PROMISE GIVING CARD

“Stepping Out In Faith In God To Provide”

From May 2021 thru April 2022 • Chapel Hill UMC

My Faith Promise for the 2021-2022 year is:

- ❖ for an amount that I ask God to help me discern. I recognize that clarity and certainty about getting the amount exactly right is not as important to God as my confidence in God to make that amount be right for me!
- ❖ provided by God. So, I will prayerfully begin looking to God to provide it through me for God’s mission to the world.
- ❖ between me and God alone. So, I am not asked to sign my name to my “Faith Promise Giving Goal” that I return to the church. I promise God that I will give what God provides.
- ❖ distinct and separate from my pledge and giving to the church budget as well as any other special church offerings that I may support.
- ❖ remitted to the church and earmarked “For Faith Promise” so my contributions may be recorded and included in my quarterly and annual contribution statements.
